"Welcome To The Club"

HERE'S OUR NEWEST SELECTION OF ATTRACTIVE YOUNG MEN

After combing the Hollywood and Los Angeles areas for handsome young models, we believe we now have some of the finest representations of robust manhood that anyone have ever offered!

TAKE A GOOD LOOK WE THINK YOU'LL AGREE

We are especially proud of the movies offered here. Not only does each boy have his own individual little story, but, the camera caresses his body from head to toe with eye-filling close-ups. And, you'll find the stories interesting, too. There is lots of quality and care that went into the making of each little film production

Featurette Length Motion Pictures

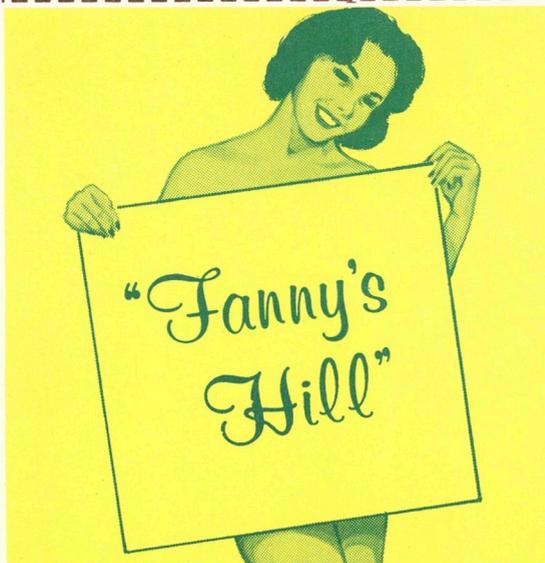

STARTING OUT ON THE SIMPLE PREMISE OF TWO BOYS ON A NUDIST PICNIC, a pair of stilts are discovered and the fun begins. They each take turns on the stilts and are somewhat unsuccessful in their first attempts. Now upon the scene arrives two more young men and, after sharing a few cokes, they try their hand at the stilts and are also unsuccessful. Then our "leader" comes up with some unusual toys - four pogo sticks. As the boys start on this new adventure the slow-motion camera captures them "pogo-ing" up and down, their muscles & limbs flapping in the beautiful outdoor setting; as each masters the art of the pogo stick. Their fun over, the boys all head for home together.

AVAILABLE IN 8MM 200-FOOT COLOR FOR \$30.00 OR BLACK & WHITE FOR \$15.00. ALSO IN 16MM 400-FOOT COLOR FOR \$55.00. THE ORDER NUMBER FOR THIS MOVIE IS F-1001.

THE HIGH, SNOWY MOUNTAINS ARE THE SETTING FOR THIS UNUSUAL SCIENCE-FICTION STORY which involves two boys on a camping trip. They unload their gear, set up their tent and light a fire. Now it turns night and the boys finish a cup of coffee and retire - little knowing the events that are transpiring in the nearby star-lit skies. A flying saucer from another planet is in trouble. It spins out of control, crashes to earth and a body is thrown from this space vehicle. Next day, the boys have breakfast and head for a long hike in the hills. Quite suddenly they come upon our man from outer space. He pleads for their help but they can't understand him and begin to stone him. Angered, he freezes them with his ray gun, tears off their clothes and proceeds to freeze and unfreeze the boys in strange positions. They finally manage to permanently unfreeze themselves and pursue the spaceman. But we're not going to reveal the dramatic and spectacular ending to our tale. We can only promise that this is a film you'll definitely want to keep in your collection as one of the best and most unusual nudist-type films of its kind. It is almost a half hour long!

AVAILABLE IN 8MM 300-FOOT COLOR FOR \$40.00 OR BLACK & WHITE AT \$20.00. ALSO 16MM 600-FOOT COLOR \$75.00 OR BLACK & WHITE \$40.00. ORDER THIS MOVIE BY NUMBER F-1002.

OF ALL THE COMEDY NUDIST FILMS EVER MADE, THIS ONE HAS GOT TO BE THE FUNNIEST!!! Taking place in "Fanny Hill's Nude Ranch" (a place in the sun to toast your bun), we find four boys (three white and one negro) romping and playing on Fanny's Hill, rolling up & down, swinging double in a swing under a huge mountain oak and running through the tall wheat fields. There's also a sequence with a herd of cattle & a local cowboy. But the fun really starts when Fanny herself calls the boys in from their frolicking and invites them to enjoy some free pie. There are a hundred different pies to choose from (really) and soon the boys are enjoying their favorite piece. An accident soon turns into pandemonium, and before we know it, pies are being thrown right & left and everyone - even Fanny - is covered from head to toe with banana cream, chocolate, pineapple, cherry, strawberry, coconut cream and all sorts of delicious flavors. The melee continues until we reach our surprise ending which we won't reveal. This film is almost a half hour of slapstick nudist fun. A "must" for your collection!

AVAILABLE IN 8MM 300-FOOT COLOR FOR \$40.00 OR 16MM 600-FOOT COLOR FOR \$75.00. ORDER THIS MOTION PICTURE BY NUMBER F-1003.

NOTE: Project all 16mm films at silent speed (16 frames per second) unless otherwise noted.
